STUDENT/INSTRUCTOR END-USER LICENSE AGREEMENT ("Agreement")

This is a legal agreement concerning the use of Software (as defined in Section Error! Reference source not found.) between the student or instructor using the Software ("End-User"), and the applicable local Mentor Graphics entity ("Mentor Graphics"). Except for license agreements related to the subject matter of this license agreement which are physically signed by End-User and an authorized representative of Mentor Graphics, this Agreement contains the parties’ entire understanding relating to the subject matter and supersedes all prior or contemporaneous agreements. If End-User does not agree to these terms and conditions, promptly return or, in the case of Software received electronically, certify destruction of Software and all accompanying items within five days after receipt of Software and receive a full refund of any license fee paid.

1. Introduction.
1.1 End-User wishes to access Mentor Graphics Software under the terms of this Agreement.
1.2 By accepting this Agreement, End-User certifies that they: (a) are a student registered at, or an instructor employed by, the academic institution named in the applicable license request form ("Academic Institution"); (b) are not affiliated with or employed by a Mentor Graphics competitor; and, (c) shall, immediately upon graduation or withdrawal from, or cessation of employment with, the Academic Institution, cease all use of Software licensed under this Agreement and delete all copies of such Software.
1.3 Term. This Agreement shall be effective during the period commencing on the date the End-User first downloads or installs the Software (“Effective Date”) and ending six months from the Effective Date (“Expiration Date”) (collectively, the “Term”).

2. Grant of License. The Software installed, downloaded, or otherwise acquired by End-User under this Agreement, including any updates, modifications, revisions, copies, documentation, and setup files ("Software") are copyrighted, trade secret and confidential information of Mentor Graphics or its licensors, who maintain exclusive title to all Software and retain all rights not expressly granted by this Agreement. Mentor Graphics grants to End-User a nontransferrable, nonexclusive license to use Software solely: (a) in machine-readable, object-code form; (b) for End-User’s academic research and course work in the automated design of electronic circuits and systems, which shall expressly exclude the provision of design services to any third party, whether for financial gain or otherwise; (c) for the Term; and (d) on the computer hardware and for the academic purposes authorized by Mentor Graphics. End-User is not entitled to receipt or use of the source code for any Software unless separately agreed to in a signed source code license agreement or addendum. End-User shall neither use Software for the purposes of benchmarking either Mentor Graphics technology or Software performance, nor provide comparative reports on the performance of Software against software developed by Mentor Graphics’ competitors. For the avoidance of doubt, if End-User requests any change or enhancement to Software, whether in the course of receiving services, evaluating Software, performing beta testing or otherwise, any inventions, product improvements, modifications or developments made by Mentor Graphics (at Mentor Graphics’ sole discretion) will be the exclusive property of Mentor Graphics.

3. Restrictions on Use.
3.1 End-User may copy Software only as reasonably necessary to support the authorized use. Each copy must include all notices and legends embedded in Software and affixed to its medium and container as received from Mentor Graphics. All copies shall remain the property of Mentor Graphics or its licensors. End-User shall maintain a record of the number and primary location of all copies of Software, including copies merged with other software, and shall make those records available to Mentor Graphics upon request. End-User shall not make Software available in any form to any person other than End-User. End-User shall take appropriate action to protect the confidentiality of Software and shall not disclose or use Software except as permitted by this Agreement. End-User shall give Mentor Graphics written notice of any unauthorized disclosure or use of the Software as soon as End-User learns or becomes aware of such unauthorized disclosure or use. Except as otherwise permitted for purposes of interoperability as specified by applicable and mandatory local law, End-User shall not reverse-assemble, reverse-compile, reverse-engineer or in any way derive any source code from Software. Log files, data files, rule files and script files generated by or for the Software (collectively “Files”), including without limitation files containing Standard Verification Rule Format (“SVRF”) and Tcl Verification Format (“TVF”) which are Mentor Graphics’ proprietary languages for expressing process rules, constitute or include confidential information of Mentor Graphics. End-User may share Files with third parties, excluding Mentor Graphics competitors, provided that the confidentiality of such Files is protected by written agreement at least as well as End-User protects other information of a similar nature or importance, but in any case with at least reasonable care. End-User may use Files
containing SVRF or TVF only with Mentor Graphics products. Under no circumstances shall End-User use Software or Files or allow their use for the purpose of: (i) developing, enhancing or marketing any product that is in any way competitive with Software, or disclose to any third party the results of, or information pertaining to, any benchmark; and/or, (ii) providing design services to any third party, whether for financial gain or otherwise.

3.2 If any Software or portions thereof are provided in source code form, End-User will use the source code only to correct software errors and enhance or modify the Software for the authorized use. End-User shall not disclose or permit disclosure of source code, in whole or in part, including any of its methods or concepts, to any third party. End-User shall not copy or compile source code in any manner except to support this authorized use.

3.3 End-User agrees that it will not subject any Software to any open source software (“OSS”) license that conflicts with this Agreement or that does not otherwise apply to such Software.

3.4 End-User may not assign this Agreement or the rights and duties under it, or relocate, sublicense, or otherwise transfer the Software, whether by operation of law or otherwise (“Attempted Transfer”), without Mentor Graphics’ prior written consent. Any Attempted Transfer without Mentor Graphics’ prior written consent shall be a material breach of this Agreement and may, at Mentor Graphics’ option, result in the immediate termination of this Agreement and/or the licenses granted under this Agreement. The terms of this Agreement, including without limitation the licensing and assignment provisions, shall be binding upon End-User’s permitted successors in interest and assigns. Mentor Graphics may delegate, subcontract, or assign any of its rights or duties to an affiliated company or third party, but no such delegation, subcontract, or assignment shall relieve Mentor Graphics of its obligations hereunder.

3.5 The provisions of this Section Error! Reference source not found. shall survive the termination of this Agreement.

4. Permission to Copy Documentation. End-User may print from on-line documentation or copy any manuals provided under this Agreement but only for the purpose of facilitating access to the Software and only as reasonably necessary for such purpose. The following credit line must be placed on the title page or front cover of each hard copy version:

6. OPEN SOURCE SOFTWARE. Software may contain OSS or code distributed under a proprietary third party license agreement, to which additional rights or obligations (“Third Party Terms”) may apply. In the event of conflict between the terms of this Agreement (including any addenda) and the Third Party Terms, the Third Party Terms will control solely with respect to the OSS or third party code. NO FEES ARE PAID UNDER THIS AGREEMENT AND MENTOR GRAPHICS AND ITS LICENSORS SHALL HAVE NO LIABILITY FOR ANY DAMAGES WHATSOEVER. THE PROVISIONS OF THIS SECTION 8 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

9. INFRINGEMENT. MENTOR GRAPHICS AND ITS LICENSORS EXPRESSLY DISCLAIM ALL LIABILITY FOR DEFENSE, SETTLEMENT AND DAMAGES WITH RESPECT TO ANY ALLEGED PATENT OR COPYRIGHT INFRINGEMENT, TRADE SECRET MISAPPROPRIATION OR ANY OTHER INTELLECTUAL PROPERTY CLAIM BY ANY SOFTWARE PROVIDED UNDER THIS AGREEMENT. 10.3 Upon termination of this Agreement, the rights and obligations of the parties shall cease except as expressly set forth in this Agreement. End-User shall ensure that all use of the affected Products ceases, and shall return hardware, and either return to Mentor Graphics or destroy Software and authorization codes in End-User’s possession, including all copies and documentation, and certify in writing to Mentor Graphics within ten business days of the termination date that End-User no longer possesses any of the affected Products or copies of Software in any form.
